Cookies Policy

We may update this policy regularly; please check back to see changes based on Technology, Regulatory Compliance and Data Protection. A cookie is a small text file that is saved to your computer or mobile device and acts to remember your browsing history, preferences and improve performance.

Cookies do not identify you but act to link your web browsers to the server providing content. This allows a more personal service which remembers your site visit preferences. Cookies and Web beacons can remember which Ads were displayed and customise the ongoing website experience.

You can control how cookies are used on your web browser by changing the settings, open the browser help menu and access settings to block or erase cookie activity. Please note that the website may not run as expected after changing cookie settings as cookies are used for site services e.g. security, logins and language choices.

We may partner with or receive services from third parties which you can visit from our website. We may also embed external content and features from such third parties within our website (e.g. social media networks such as LinkedIn, Facebook and Twitter). We do not control the content or links that appear on these sites and are not responsible for the practices employed by websites linked to or from our Site. In addition, these sites or services, including their content and links, may be constantly changing. These sites and services may have their own privacy policies and customer service policies. Browsing and interaction on any other website, including websites which have a link to our Site, is subject to that website's own terms and policies.

Types of Cookies

Necessary cookies: These are used to manage your website visit, they provide features such as encryption for data and user login plus e-commerce shopping cart choices. These cookies are necessary for the website to function and cannot be switched off in our systems. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences, logging in or filling in forms. You can set your browser to block or alert you about these cookies, but some parts of the site will not then work. These cookies do not store any personally identifiable information.

Analytical cookies: These cookies track user statistical visit data such as country, browser type and pages visited. These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us to know which pages are the most and least popular and see how visitors move around the site. All information these cookies collect is aggregated and therefore anonymous. If you do not allow these cookies we will not know when you have visited our site, and will not be able to monitor its performance.

Targeting cookies: These cookies remember which features or Ads you were presented with and can display the same or related content to provide you with a content that may be of more interest to you. These cookies may be set through our site by our advertising partners. They may be used by those companies to build a profile of your interests and show you relevant adverts on other sites. They do not store directly personal information, but are based on uniquely identifying your browser and internet device. If you do not allow these cookies, you will experience less targeted advertising.

Functionality cookies: These cookies allow your browser to operate more effectively i.e. your language choice or menu preferences. They can also be used to provide services you request, such as viewing videos or social media integration. These cookies enable the website to provide enhanced functionality and personalisation. They may be set by us or by third party providers whose services we have added to our pages. If you do not allow these cookies then some or all of these services may not function properly.

Google Analytics: is a simple website analytics service which measures the traffic and visitors' general details of the customers' websites. Collecting these statistics, a website can make their visitors' experience better. When you visit our site, it will collect web site usage information and information about your computer and internet connection (e.g. which pages you visit and when, where you as user land first or if you are coming from a specific referral). Basically, as a website owner using Visitor Analytics, we are using cookies to collect data about visitors' device type and screen size, approximate location, browser, OS, IPs, page visits, bounce rate, conversions and popular content on the website. All this data is pseudonymized and Visitor Analytics will never use the collected data to identify individual users or to match it with additional information on an individual user. Each visitor has control over the cookies placement. You can **control and/or delete cookies** as you wish by checking your browser settings on each device - for details, see www.aboutcookies.org. For further information, please check Google Analytics' [Terms Of Use](#), [Cookie Information](#) and [Opt-Out / Do Not Track](#).

External Links: Corrigan Insurance accepts no responsibility for information contained in any other sites which can be accessed by hypertext link from these pages or for these sites not being available at all times. Please note that when you click on any external site hypertext link you will leave the Corrigan Insurance website. Third party partners of Corrigan Insurance and other websites you may access via our website may have different privacy policies and are not subject to the Privacy Notices governing Corrigan Insurance. We recommend that you read the Privacy Notice of each such website to find out how they protect your personal information.

Changes to this statement: We encourage you to check back here from time to time as we may make changes to this website notice. When such a change is made, we will post a revised version online. This is not a contractual document, and it does not create any rights or obligations on either party beyond which already exist under Data Protection law. It is your responsibility to review this notice periodically so you're aware of any changes. By using our services you agree to this notice.
